# Coolife

THE ICED COFFEE

Your coffee  
wherever and  
whenever you want.

The largest portfolio of coffee flavours  
to go with 100% Arabica coffee.

# About Coolife

We were born more than eight years ago as the pioneers of take-away coffees that do not require cold storage, and we continue to reinvent ourselves with new products and flavours to offer the best taste in 100% recyclable packaging.
